# It's Election Time

CPA was preparing for the Manchester Gorton by election when suddenly the call came. . There's going to be a General Election on 8<sup>th</sup> June. At first we thought it might not go through Parliament but then it became clear that Labour couldn't really vote against the motion so it was inevitable. The fixed Parliament Act just doesn't work. If the Prime Minister wants an early election she can have it!

## Last Chance for you to Stand.

The CPA has 33 candidates selected to stand but we want more. If we get 89 we can have a party political broadcast.

Our platform is below. Now it's over to you. Why not be a Parliamentary candidate for the CPA? Why not stand for holiness, righteousness, God's way of doing things.

Other parties compromise on moral issues, but we don't. We just stand for what is right.

Pray and if you feel God is calling you to stand act now. E mail [sidcorderle@yahoo.co.uk](mailto:sidcorderle@yahoo.co.uk) and leave your phone number and full address and post code. Every candidate has to pay a deposit of £500 to stand. We are offering match funding (£250) where we can to make it easier but if you don't have a go you will never win!

## The CPA Platform

While we largely support the approach of Theresa May to Europe for us this election is not only about the EU. We do not support the following measures: -  
Taking disabled people off benefits, some of whom are mentally ill.

- Leaving people who apply for benefits for whatever reason with nothing for several weeks while their claim is assessed.
- Spending £billions of pounds on Trident which is a weapon of mass destruction while we could be focussing on putting in place the new technology that can divert incoming missiles into the ocean and make nuclear weapons obsolete.
- Allowing big companies like Google, Facebook and Starbucks to get away with paying little or no tax when we could have a turnover tax, offset against Corporation Tax (tax on profits) to make the system fairer
- Wasting £billions in aid e.g. £465m per year which goes to Pakistan some of which pays for people to go to Mecca when we should be spending it on people in refugee camps in real need. Also no aid should go to countries persecuting Christians.
- Doing nothing about marriage breakdown which the Government assesses is costing the nation £48billion per year and is leaving many children damaged in broken homes.
- Allowing 186,000 babies per year to be killed in their mother's womb and in many cases funding it.

That's why the Christian Peoples Alliance is standing candidates in this election. We don't just talk about helping the poor we do it and we do a lot of research into what we believe are the right policies for the nation.

We call Christians to pray for the nation and the General Election campaign, donate to help our campaign using the Donate Button.

## Please Pray for:

- Continued growth of the party.
- For the General Election campaign
- For people willing to stand as CPA candidates as they seek to get our message across to the voters.
- For all Christian M.P.'s currently sitting in the UK Parliament.
- For the on-going Prayer for Parliament.
- For the on-going defining of what true marriage is.

## Candidate Training

**STOP PRESS!!** Due to the election campaign, the training has been postponed and will now be held in the autumn.

The Christian Peoples Alliance candidate training is earmarked for 3<sup>rd</sup> June in the centre of London. Several people have expressed interest and we are now finalising details.

The main aim is to enable every candidate at the end of the training to be able to speak for 5 minutes with confidence as why they would be the best candidate for their constituency bringing in key CPA principles from the manifesto. We would also want participants to be confident after the training in talking about the 6 core values of the CPA from the Mayflower Declaration.

We want all approved candidates to participate at some time but also throw it open to new candidates. Therefore if you would like to be a candidate and participate in the training please e mail [sidcordle@yahoo.co.uk](mailto:sidcordle@yahoo.co.uk) now.

## What we want you to do:-

1. Put your name forward to stand in the next election if you possibly can. If you don't know what to do e mail [sidcordle@yahoo.co.uk](mailto:sidcordle@yahoo.co.uk) and someone will help you through the process. We now have 20 candidates lined up but we want a lot more.
2. Look at the CPA site on facebook "Christian Peoples Alliance UK" and contribute to it and share it round your friends. The same with the CPA twitter site @CPA\_Party.
3. Donate in our support. The CPA has been badly lacking finance. Properly funded we would be a nationally recognised party now. Please give something. The easiest way is to credit our account 60-83-01 20072940 or send a cheque payable to Christian Peoples Alliance to 4 Ewhurst Rd Crofton Park London SE4 1AQ.
