STANDING FOR RIGHTEOUSNESS

CPA Monthly News

April 2017

Kemi Abidogan chosen as candidate for the CPA in Manchester Gorton

WE are pleased to announce that the CPA has an excellent candidate standing for us in Manchester Gorton. Kemi Abidogan currently runs a community outreach project in the Harpurhey area of North Manchester which includes a Food Bank and a Back to Work scheme and has dealing with various agencies including Manchester City Council. She helps lead churches in Manchester and Bolton with her husband Dr Kehinde Abidogan.

She has 3 children. We are expecting the by election to be on 4th May with the local elections and are working towards that date.

We have already stood in 3 by elections since last May, Tooting, Richmond Park and Stoke on Trent Central. All these are giving us more publicity and a platform to move forward. However each costs us at least £2,000. We now desperately need a new influx of funds. Please pray about giving to us. You can do so via Paypal on the web site or credit our account sort code 60-83-01, number 20072940

CPA Supports March for Life Birmingham Saturday 20th May.

This is a major coming together of pro life groups to send a message to our leaders that we stand against the killing of babies in their mothers womb for whatever reason. The march is already massive in many other countries and we want to help make it a massive march in the UK. Please put it in your diaries and come. Also please register for information on the March for Life web site.

Petition to Government: To define marriage as exclusively only between one man and one woman.

The CPA supports this petition to define marriage as exclusively between one man and one woman. The number of signatures is growing, especially in Northern Ireland, but slowly. We want it to grow faster.

Training

The Christian Peoples Alliance candidate training is earmarked for 3rd June in the centre of London. Several people have expressed interest and we are now finalising details.

participants to be confident after the training in talking about the 6 core values of the CPA from the Mayflower Declaration.

We want all approved candidates to participate at some time but also throw it open to new candidates. Therefore if you would like to be a candidate and participate in the training please e mail sidcordle@yahoo.co.uk now.

BBC COVERAGE OF WESTMINSTER ATROCITY HIGHLY BIASED.

Khalid Masood is a Muslim who carried out this atrocity because the Qur'an says to kill disbelievers (9:5) and because straight after telling Muslims to cut off the heads of disbelievers it says, "Those who are killed in the cause of Allah-never will he waste their deeds. He will guide them and ammend their condition and admit them to Paradise..." (47:4-6)

2) We heard the BBC interview Khalid Mahmood MP Tulip Saddiq MP another Muslim from Birmingham, someone from the Quilliam Foundation that promotes Islam and all of them were saying this has nothing to do with Islam. They are all lying and the BBC is promoting the lie. Even though they didn't interview anyone who said that Khalid Masood was following the Qur'an they still condemned anyone that might say it they are so fearful the truth might get out.

3) The way to stop this is to prove to Muslims that their paradise of virgins, rivers of wine and loads of food as described in the Qur'an does not exist because no-one has ever been there. Actually all Muslims when they die see Jesus and are judged by him. When they get this message they will stop killing themselves but not before.

We stand for the Truth. Christianity and Islam are incompatible

The BBC has a policy of never criticising Islam. Some people therefore following this agenda hold their hands up in horror if you say anything negative about the religion. The truth however is a causality in this process. Please use these facts below.

1. The Qur'an says Jesus did not die on the cross (4;157) Jesus death is the means of salvation for a Christian.
2. The Qur'an says that if you say Jesus was the son of God you will go to hell (5:72). Jesus divinity is central to Christianity.
3. The Qur'an says before Allah you can only be a slave (19:93). Jesus says he wants to be our friend and wants to have a relationship with us.
4. Islam tells you to say the same prayer 5 times a day. Jesus said not to do this "for they think they will be heard for their many words" but to pray simply and specifically.
5. The Qur'an says to kill disbelievers(9:5) and cut off their heads (47:4). Jesus says to love your enemies and do good to those who hate you.
6. The Qur'an says Allah is the best of deceivers (3:54,8:30) Jesus claimed to be the truth and said the truth will set you free.

What we want you to do:-

1. Put your name forward to stand in the next election if you possibly can. If you don't know what to do e mail sidcordle@yahoo.co.uk and someone will help you through the process. We now have 20 candidates lined up but we want a lot more.
2. Look at the CPA site on facebook "Christian Peoples Alliance UK" and contribute to it and share it round your friends. The same with the CPA twitter site [@CPA_Party](#).
3. Donate in our support. The CPA has been badly lacking finance. Properly funded we would be a nationally recognised party now. Please give something. The easiest way is to credit our account 60-83-01 20072940 or send a cheque payable to Christian Peoples Alliance to 4 Ewhurst Rd Crofton Park London SE4 1AQ.
