Please support our pledges:

Following petitions we pledge to provide pedestrian crossings at the Windsor Castle pub crossroads and outside the Greyhound Public House. We believe these will make it safer for St. Philomena's pupils and mothers with pushchairs to cross.

We would undertake a thorough review of the way sex and relationship education is being taught in our schools. It is unacceptable that children from age 4 are being encouraged by teachers to choose their gender without parents being involved in the discussion. Schools teach on behalf of parents and so must never engage in any curriculum that is opposed by parents.

We will provide clearer signs for restricted driving zones and more consistency. Many areas have a different coloured road for bus lanes which would help enormously.

Ensure waste disposal sites are free and easily accessible. Eradicate fly-tipping by working closely with contractors. Vastly improve the cleaning of streets and communal areas.

Improve youth clubs with supervision and training for young people to ensure good role models for our youths, keeping anti-social behaviour to a minimum.
